

Ending the AIDS epidemic for adolescents, with adolescents. A practical guide to meaningfully engage adolescents in the AIDS response

Geneva: UNAIDS, 2016. 32 p.

Organizations:

UNAIDS

Description:

The purpose of this document is to provide guidance to programme designers, implementers, policy and decision-makers on how to meaningfully engage adolescents in the AIDS response and broader health programming, and to demonstrate why adolescents and youth are critical in efforts to end the AIDS epidemic by 2030. It also highlights what steps should be taken to implement programmes and policies that improve adolescent health outcomes (including for HIV) at the national, regional and global levels.
