

HIV/AIDS and education

2001. 4 p.

Authors:

Vandemoortele, Jan

Description:

This document describes the impact of HIV/AIDS on education systems. The supply and demand for education will be greatly altered over the next 5 - 10 years, challenging the prospects of Education for All. In addition, as more AIDS education is dispersed, the trends will change and HIV/AIDS will become a disease among the poor.
