Organizations:

South Africa. Department of Public Service and Administration

Description:

This guide was developed as a practical and user-friendly resource to assist government departments to plan, implement and monitor appropriate and effective responses to HIV/AIDS within the Public Service working environment. The objectives of the guide are to: Contextualise the HIV/AIDS epidemic within the country as a whole, and within the Public Service in particular; Identify key challenges to the Public Service in the context of HIV/AIDS; Assist departments to plan, develop, implement and maintain HIV/AIDS workplace policies and programmes within a human rights and gender framework; Provide practical guidance and information to departments on managing the HIV/AIDS epidemic; and Promote the application of the Minimum Standards on HIV/AIDS as contained in the amended Public Service Regulations, 2001.
