

## Manual do multiplicador: adolescente

Brasília: Ministério da Saúde, 1997. 160 p.

### Organizations:

Brazil. Ministério da Saúde, Secretaria de Projetos Especiais de Saúde, Coordenação Nacional de Doenças Sexualmente Transmissíveis e Aids

### Description:

O manual é constituído por 3 unidades: Sexualidade, Prevenção às DST/Aids e Prevenção ao Uso Indevido de Drogas. Em cada unidade, são apresentadas dinâmicas de trabalho de grupo, que utilizam como metodologia a educação por meio de trocas de experiências, vivências, conhecimentos e atitudes. Procura-se identificar o saber que cada adolescente traz para, a partir disso, introduzir ou aumentar a percepção de risco e orientar a adoção de práticas seguras.
