

Catch 'em young: a best practice case study on school based AIDS preventive education programmes in Maharashtra, India

New Delhi: Office of the UNESCO Representative to Bhutan, India, Maldives and Sri Lanka, 1998. 24 p., illus., maps.

Authors:

Nair, Sandhya

Organizations:

UNESCO Office New Delhi

UNAIDS

unicef

Description:

The State of Maharashtra has initiated AIDS education in public and private schools through three pilot projects. This document is based on these school-based AIDS education programmes for which the effectiveness in terms of increased awareness amongst the students has been evaluated by external agencies. This document describes three models of HIV/AIDS preventive education programmes, each of which has been tested for efficacy and its relevance to the Indian milieu. Some best practice guidelines are also identified.
