

A community-based response on sexual violence against women

Ngara: UNHCR, 1997. 24 p.

Organizations:

Crisis Intervention Teams

Collection:

How to guide reproductive health in refugee situations, no. 1

Description:

This guide is for field-based refugees workers including UN system, NGOs and governments staff in the health, community services, protection and other related sectors. The booklet presents guidelines in assessing the problem of sexual violence identifying key players in a practical response to the problem, drawing up guidelines on steps to be taken, and roles and responsibilities of actors, setting criteria for selecting team members, organizing training, and evaluating the programme.
