

## Gender, reproductive health, and advocacy: a trainer's manual

Washington, DC: The Centre for Development and Population Activities, 2000. 243 p.

### Collection:

The CEDPA training manual series

### Description:

A two-week, 15 session curriculum that uses participatory methodologies to equip NGOs to implement reproductive health programmes and strategies. The workshop familiarizes participants with the ICPD Programme of Action and framework of reproductive health, helps participants identify how their organizations' programmes fit within this broadened reproductive health framework, and assists participants to develop strategies and action plans for expanding and integrating organizational activities in the area of gender, reproductive health and/or advocacy.
