

Comprehensive counseling for reproductive health : an integrated curriculum: participant's handbook

New York: EngenderHealth, 2003. 237 p.

Organizations:

EngenderHealth

Description:

The curriculum on counselling for reproductive health is intended for health care providers, supervisors, and the managers for the programmes in which they work. The curriculum aims to help in developing knowledge about, skills in, attitudes toward, and comfort with effective communication and counselling in all areas of reproductive health, including sexuality. The counselling skills addressed are relevant to the provision of both preventive and curative health services through the participants' national health systems.
