

Joint Mid-Term Review of the National Aids Strategic Framework 2006-2010. Technical Report

2009. 133 p.

Organizations:

Zambia. Government

Zambia. National HIV/AIDS Council

Description:

Implementation of the NASF 2006-2010 is now mid-way through its planned period and as planned, this Joint Mid-Term Review (JMTR) is on course. The broad objectives of the review are to assess and appraise the status of the national response against the set targets and indicators spelt out in the National Strategic Framework and/or Action Plans during the period under review. Based on the evidence generated through this review, key recommendations to inform sector-specific and additional core strategies and interventions that require wider-national participation in order to attain health NASF Goal, Strategic Objectives and Millennium Development Goals (MDGs) are proposed. This review was conducted between July and September 2008.
