

Counting Carers: How to improve data collection and information on households affected by AIDS and reduce the poverty of carers, people living with HIV and vulnerable children

HelpAge International, 2006. 19 p.

Organizations:

[HelpAge International](#)

Description:

This report aims to guide governments, NGOs and others working to improve data collection and analysis on households affected by AIDS. It identifies the limits of existing data and suggests how this may be further analysed to produce better information and what future surveys might include.
