

# Sexual and reproductive health rights (SRHR) and HIV and AIDS linkages integration strategy and implementation plan

Ministry of Health, 2013. 52 p.

## Organizations:

Botswana. Ministry of Health

## Description:

The Government of Botswana's SRH Policy Guidelines and Service Standards document provides the framework for developing a responsive strategy and an implementation plan for SRHR and HIV&AIDS Linkages and Integration. The global call on governments to demonstrate commitments to intensify linkages between sexual and reproductive health and HIV&AIDS at the policy and programme level is therefore an added opportunity for the government to review the current service provision model and optimize current resources to provide more integrated, comprehensive coordinated SRHR and HIV&AIDS services.
