

## Violences de genre, violences sexistes à l'école. Tome 1

2013. 196 p.

### Periodical title:

Recherches et éducatons, 8, juin 2013

### Description:

Le dossier du présent numéro vise à éclairer la thématique des violences scolaires en proposant une analyse genrée ou sexuée du phénomène. Les contributions s'appuient sur des résultats de recherches empiriques et reposent sur des méthodologies explicites, qualitatives et/ ou quantitatives. Elles permettent non seulement de dresser un état des lieux des violences scolaires en fonction du sexe ou du genre des élèves (et/ ou des adultes) dans des contextes éducatifs variés, mais elles visent également à éclairer les mécanismes à l'origine de ces violences. Si les stéréotypes de genre ou encore la culture sexiste sont examinés pour comprendre le phénomène, les conséquences pour les acteur-ices-s (élèves ou professionnel-le-s) naviguant à contre-courant de ces modes de pensée et d'action sont également étudiées. Ce dossier thématique apporte ainsi un ensemble de résultats et de réflexions utiles aux lecteur-ice-s, spécialistes ou non des études de genre et des violences en milieu scolaire.
