

Guidance for implementing the policy?related activities of promoting adolescent health through school?based HIV/STD prevention (funded state education agency version)

Atlanta, GA: CDC, 2014. 30 p.

Organizations:

Centers for Disease Control and Prevention, CDC

Notes:

CDC PS13?1308: Promoting adolescent health through school?based HIV/STD prevention and school?based surveillance Updated on February 18, 2015.

Description:

The purpose of this document is to provide guidance for implementing the policy-related required activities for state education agencies awarded funding under Strategy 2: School-Based HIV/STD Prevention. The intended outcome of these activities is to increase the number of funded states and districts that track policy implementation and educate decision makers on policy solutions. There is a separate document for funded local education agencies, with guidance on implementing their specific 1308 policy-related required activities.
