Description:

In 2009 the Department of Education and Skills and GLEN – Gay and Lesbian Equality Network issued guidance to schools on sexual orientation issues - Lesbian, Gay and Bisexual Students: Guidance for Principals and School Leader. The guidelines suggest that school policies should expressly include reference to lesbian, gay, bisexual and transgender (LGBT) students. To complement the Guidance and to support the recommended inclusion of LGBT students NAPD and GLEN have developed this resource with the cooperation of the Department of Education and Skills.
