

Adolescents under the radar in the Asia-Pacific AIDS response

Bangkok: UNICEF EAPRO, 2015. 70 p.

Organizations:

UNICEF East Asia and Pacific Regional Office

Description:

This report is the result of a collaborative effort between members of the Asia Pacific Inter-Agency Task Team on Young Key Populations and UNICEF. It highlights the HIV crisis for vulnerable adolescents in Asia and the Pacific and what we can do to give them the support they desperately need. If we fail to do this, the world will not get to where it wants to be: ending the AIDS epidemic by 2030.
