

National sexual and reproductive health policy 2011-2016

Ministry of Health, 2011. 29 p.

Organizations:

Samoa. Ministry of Health

Description:

This National Sexual and Reproductive Health Policy is to contribute positively to the improvement of reproductive health status of the people of Samoa, particularly women and adolescent, by listing some of the major challenges in the area of sexual and reproductive health and identifying Key Strategic Areas in addressing immediate and future actions. The Key Strategic Areas for cooperation based on a contextual analysis of the evolution in health issues in Samoa takes into account the experience of all health sector partners and relevant documents/data.
