

## The national policy for the prevention and control of HIV and AIDS and STIs: Republic of Seychelles

2012. 37 p.

### Organizations:

Seychelles. National AIDS Council

### Description:

The main goal of the Seychelles National Policy on HIV and AIDS and Other STIs is to prevent and control the spread of HIV/AIDS and Sexually Transmitted Infections, and to care for those infected and affected by them. This goal will be achieved through programmes and services that respect for human rights, that are fully integrated and mainstreamed and that use knowledge and experience acquired on what works and what does not work to develop and deliver services.
