

# Increasing investments in the sexual and reproductive health and wellbeing of adolescents and young people in Ghana

Accra: National Population Council, 2016. 8 p.

**Organizations:**

National Population Council

**Description:**

Young people in every society constitute both the current and potential human capital of a nation's development. In order to ensure that young people have a fulfilling sexual and reproductive life, appropriate investments must be made in their health and socio-economic well-being.
