

Knowing about puberty for boys

UNESCO, 2017. 2 p.

Organizations:

UNESCO

Description:

UNESCO in partnership with Ministry of Education Kenya and with financial support from the Government of the Republic of Azerbaijan, community and Civil society organizations implemented a two year Health Literacy and Behaviour Change practices among Adolescent Girls pilot project from September 2014-September 2017 in 41 schools. Health literacy materials were evaluated and approved by Kenya Institute of Curriculum Development for use in other informal settlements. This is a one sheet brochure for an intended audience of boys approaching puberty.
