### Organizations:

Peru. Ministerio de Educación

### Edition:

Documento de trabajo

### Description:

La sexualidad es consustancial a los seres humanos y propulsora de los vínculos que se establecen entre ellos, razón por la cual debe ser abordada como parte de la formación integral de nuestra educación, que busca contribuir al desarrollo pleno de las personas. Estos lineamientos constituyen la respuesta del Sector Educación a la necesidad de asegurar una educación sexual integral, de calidad científica, ética y con equidad (ESI), como aspecto fundamental del derecho de todos los peruanos, hombres y mujeres.
