

## Production and distribution of Braille version of the HIV alert materials schools for the visually impaired in Ghana

2017. 22 p.

### Organizations:

Ghana. Ministry of Education  
Ghana Education Service

### Description:

In October 2017 a workshop was held in Accra for the conversion of HIV and AIDS alert materials into Braille version for visually impaired pupils and students across Ghana. Participation were made up of a technical team from the Ghana Braille Press, of the Ghana Education Service (GES), as well as other officers from the Ministry of Education, HIV and AIDS Secretariat, the School Health Education Programme of GES and Special Education Division of the GES. This document includes reports of the workshop, the pre-testing exercise, the peer educator and teacher training and the monitoring of the implementation of the Braille HIV and AIDS alert materials in various regions of Ghana.
