

Step up the fight: ending HIV among adolescents girls and young women

Geneva: The Global Fund, 2019. 8p.

Organizations:

Global Fund to fight AIDS, Tuberculosis and Malaria

Description:

Despite great progress made against HIV globally, adolescent girls and young women continue to be disproportionately at risk of new HIV infections. Urgent action to reduce the risk of adolescent girls and young women to HIV is vital to end the epidemic. This won't be achieved without addressing the entrenched gender inequalities that exist where these girls and young women live.
