Exploring health & PE: teacher's guide 3

Delhi: Cambridge University Press, 2015. 33 p.

Organizations:

Maldives. National Institute of Education

ISBN:

978-93-84463-89-2

Description:

Health and Physical Education Teacher's Guide includes teaching ideas and strategies that can be used to trigger, reinforce and enrich students understanding of the concepts being taught. The book will assist the teachers to implement the Health and Physical Education Syllabus for Key Stage 1. A strong emphasis is laid on developing concepts, skills, values and attitudes. It encourages the teachers to adopt a variety of teaching approaches to facilitate and enhance learning. The activities are arranged in such a way that student involvement and participation in the learning process is increased and they become independent learners. The learning experiences provided to the students will cultivate in them an inquisitive attitude towards understanding the subject.
